

Date tehnice pentru produs: LID17957--

# 10107DL/W/B/V WHITE+BLACK COB 6,5W

## CCTV IP65 700mA

700mA; DARK LIGHT; 02 REC SPOTS FIX LED

### Fișe tehnice

|                            |                                       |
|----------------------------|---------------------------------------|
| Tip iluminare              | downlight                             |
| Culoare                    | Alb                                   |
| Material                   | aluminiu                              |
| Unghiul de radiație (°)    | 38                                    |
| Curent operational mA (mA) | 700                                   |
| Curent primar (A)          | 700                                   |
| Eficiență sistem (lm/W)    | 100                                   |
| Culoare lumină             | alb cald<br>neutral white<br>alb rece |
| Temperatura culorii (K)    | 4000<br>3500<br>3000                  |
| Indice redare culoare      | 90                                    |
| Lumeni (lm)                | 650                                   |
| Adâncime montaj (mm)       | 90                                    |
| Diametru (mm)              | 53                                    |

## Fișe tehnice - Continuare

|                 |    |
|-----------------|----|
| Decupaj mm (mm) | 47 |
| DECUPAJ mm      | 47 |
